

# Aspirations Week

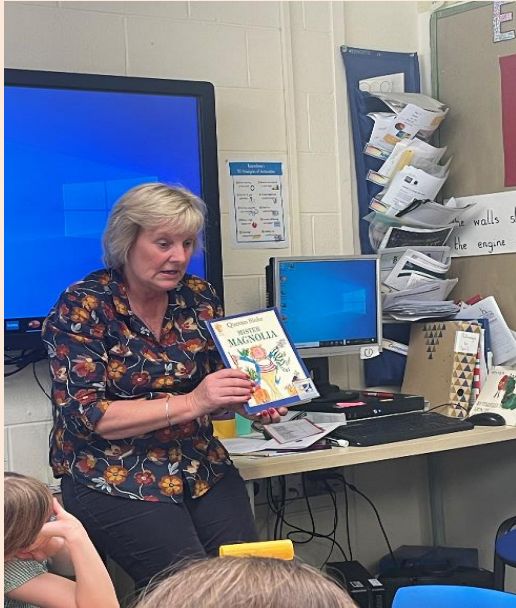

## Year 2

In Year 2 we had a visit from Jan who is an occupational therapist. She talked to us about her job and how she helps people to live independently by finding the right solution for their problem.

We met three dogs Hettie, Dill and Sid. Their trainers shared insights into their job, explaining the responsibilities and joys of being dog trainers. We enjoyed watching them perform various, impressive tricks.

Mrs Perry came in and spoke to us about being a teacher. She read her favourite books and brought them to life. She also explained about how rewarding it is seeing children achieve to the best of their ability.

We met Mrs Kempken who works for Lloyd's Bank. She provided an in-depth look at her role and the various tasks involved in her job.
