

Closing St Mary's is something we are trying to avoid. However we acknowledge that some children may need to self-isolate in the coming days/weeks. During this time, we want to support learning and with your help, want to continue to provide learning opportunities to ensure your child continues to make progress. In the event of our school being closed due to the coronavirus, please refer to our school website, specifically the 'curriculum' tab where you will be able to see the curriculum content maps for KS1 and KS2. These will inform you of our curriculum. Please take every opportunity to support your child's home learning, by providing a wide range of activities designed to meet these objectives.

In addition to this, there are lists of suggested websites which you can access with your child from home. We would like to stress the importance of your child continuing to read at home (daily); we would urge you to support us with this - whatever the age of your child.

In Science, learn about materials and their properties- find definitions for scientific materials vocabulary. Learn the 8 points of a compass What can you find out about Ancient Greece? Learn the properties of 3D shapes Write a letter to our governors demanding they ban homework</p>
Year 6	<p>Write a letter to Halton Council, explaining why we should be keeping the environment clean. Learn to spell the Y5 / 6 wordlist Look at world map and learn where countries and capital cities are Sketch the view from 2 of your windows</p>

# Non-screen activities you can do at home

Pobble

25 ideas!

What can you do when there's no school and you're stuck at home? Here are 25 fun ideas to choose from.

1 How many different words can you make from the letters in this sentence, below? Grab a pencil and paper and write a list!

'Learning from home is fun'

2 Thank a community hero. Think of someone that helps you in some way and write a short letter to thank them.

Thanks!

3 Get building! You could build a Lego model, a tower of playing cards or something else!

4 Can you create your own secret code? You could use letters, numbers, pictures or something else! Can you get someone else to try and crack it?

5 Start a nature diary. Look out of the window each day and keep note of what you see. Birds, flowers, changes in the weather, what else?

6 Hold a photo session. Use a camera or a mobile phone to take some snaps. What will you photograph? Your pets or toys perhaps?

7 Build a reading den. Find somewhere cosy, snuggle up and read your favourite book!

8 Use an old sock to create a puppet. Can you put on a puppet show for someone?

9 Make a list of all the electrical items in each room of your home. Can you come up with any ideas to use less electricity?

10 Design and make a homemade board game and play it with your family.

11 Do something kind for someone. Can you pay them a compliment, make them something or help them with a task?

12 Can you create a story bag? Find a bag and collect items to go in it that relate to a well-known story. If you can't find an item, you could draw a picture to include.

13 List making! Write a list of things that make you happy, things you're grateful for or things you are good at.

14 Design and make an obstacle course at home or in the garden. How fast can you complete it?

15 Can you invent something new? Perhaps a gadget or something to help people? Draw a picture or write a description.

16 Keep moving! Make up a dance routine to your favourite song.

17 Write a play script. Can you act it out to other people?

18 Read out loud to someone. Remember to read with expression.

19 Write a song or rap about your favourite subject.

20 Get sketching! Find a photograph or picture of a person, place or object and sketch it.

21 Junk modelling! Collect and recycle materials such as yoghurt pots, toilet rolls and boxes and see what you can create with them.

22 Draw a map of your local area and highlight interesting landmarks.

23 Write a postcard to your teacher. Can you tell them what you like most about their class?

24 Draw a view. Look out of your window and draw what you see.

25 Get reading! What would you most like to learn about? Can you find out more about it in books? Can you find a new hobby?

## Word list – years 5 and 6
