

Look what we have been learning about in Year 3

In science we have been observing rocks and completed an experiment to see which was the best to build steps from. The children have been rubbing and scratching different rocks to test their hardness.

Our new literacy book is Stone Age Boy. We used drama to re-enact scenes from our story, Stone Age Boy.

Can you guess who was caring for the children, drying out fish, cooking stew, washing up, getting warm by the fire, hunting for food, making tipis and making clothes?
