Objectives of this Policy

At St Mary's we pride ourselves on our strong Christian Ethos, and our vision, aims and values set the tone for our school. We recognise that children flourish in a safe environment where they feel loved, valued and secure. The behaviour and safety of our pupils is good and we strive to maintain this in order to allow all children to reach their full, God-given potential.

This policy outlines what St Mary's CE Primary School will do to prevent and tackle bullying. We are committed to providing a caring, friendly and safe environment for all our children so that they can learn in a relaxed and secure atmosphere. We are committed to developing an anti-bullying culture whereby no bullying, including bullying between adults or adults and children, will be tolerated.

Our school community will:

- monitor and review our anti-bullying policy and practice on a regular basis, ensuring that all governors and staff know the school policy on bullying, and follow it should bullying be reported;
- support all staff to promote positive relationships to prevent bullying, and identify and tackle any bullying behaviour appropriately and promptly;
- ensure that all pupils and parents know what the school policy is on bullying, and what they should do if bullying arises;
- reassure parents and pupils that they will be supported if bullying is reported, as a school we take bullying very seriously;
- report back to parents/carers regarding their concerns on bullying and deal promptly with complaints. Parents/ carers in turn will work with the school to uphold the anti-bullying policy;
- ensure that pupils are aware that all bullying concerns will be dealt with sensitively and effectively so that they feel safe to learn;
- support all pupils through encouraging them to develop positive social skills and attitudes by learning how to relate to and respect each other.

Definition of bullying

Bullying is 'behaviour by an individual or group, repeated over time, that intentionally hurts another individual or group either physically or emotionally'. (DfE "Preventing and Tackling Bullying", October 2014) Bullying can take many forms and is often motivated by prejudice against particular groups. It might be motivated by actual differences between children, or perceived differences. Bullying can happen to anyone. This policy covers all types of bullying including:

- Bullying related to race, religion or culture.
- Bullying related to SEND (Special Educational Needs or Disability).
- Bullying related to appearance or physical/mental health conditions.
- Bullying related to sexual orientation (homophobic bullying).

- Bullying of young carers, children in care or otherwise related to home circumstances.
- Sexist, sexual and transphobic bullying.
- Bullying via technology – for instance, cyber-bullying via text messages or the internet.

Bullying can include: name calling, taunting, mocking, making offensive comments, kicking, hitting, taking belongings, producing offensive graffiti, gossiping, excluding people from groups, and spreading hurtful and untruthful rumours. This includes the same inappropriate and harmful behaviours expressed via digital devices (cyberbullying) such as the sending of inappropriate messages by phone, text, Instant Messenger, through websites and social media sites and apps, and sending offensive or degrading images by mobile phone or via the internet.

Peer on peer abuse

Peer on peer abuse will never be passed off as ‘banter’. Peer on peer abuse often involves an imbalance of power between the perpetrator and the victim e.g. dominating play, controlling friendships etc. Perpetrators may have control over the relationship which makes it difficult for those they abuse to defend themselves.

In St Mary’s school, staff are vigilant in looking for any of the following:

- Unkind and unseen actions or gestures;
- Controlling the behavior of others by being coercive;
- Excluding others from activities or conversations
- Constant / repetitive singling out of individuals

Preventing, identifying and responding to bullying

As a school we have created an ethos of good behaviour where pupils treat one another and the school staff with respect because they know that this is the right way to behave. Values of respect for staff and other pupils, an understanding of the value of education, and a clear understanding of how our actions affect others permeate the whole school environment and are reinforced by staff and older pupils who set a good example to the rest.

Our school’s response to bullying does not start at the point at which a child has been bullied. Our school staff act proactively to gather any information about issues between pupils which might provoke conflict, and develop strategies to prevent bullying occurring in the first place. This might involve talking to pupils about issues of difference, perhaps in lessons, through dedicated events or projects, or through assemblies.

Strategies to help prevent the occurrence of bullying behaviour

At St Mary’s CE Primary School we will:

- ensure all staff are aware of and follow the school behaviour policy;
- create and support an inclusive environment which promotes a culture of mutual respect, consideration and care for others which will be upheld by all;

- actively provide opportunities (through PSHCE/SEAL activities / Values based Education / Heart Smart programme) to develop pupils' social and emotional skills, including their resilience;
- provide an inclusive approach for pupils, staff and parents/carers to access support and report concerns;
- challenge practice which does not uphold the school's values for example, tolerance, non-discrimination and respect towards others;
- consider all opportunities for addressing bullying in all forms throughout the curriculum (stories, drama and role play) including a range of additional approaches such as through displays, collective worship, events, and the school parliament;
- regularly update and evaluate our approaches to take into account the developments of technology, and provide up-to-date advice and education to all members of the community regarding positive online behaviour (annual e-safety training);
- train all staff to identify all forms of bullying and to follow the school policy and procedures (including recording and reporting incidents);
- proactively gather and record concerns and information about bullying incidents and issues so as to effectively develop strategies to prevent bullying from occurring;
- use a variety of techniques to resolve the issues between those who bully and those who have been bullied;
- work with other agencies and the wider school community to prevent and tackle concerns;
- celebrate success and achievements to promote and build a positive school ethos;
- provide the additional opportunity for children to raise questions and discuss cyberbullying issues through the role of E-Cadets and the Internet Safety blog.

Involvement of pupils

We will:

- regularly gather the children's views on the extent and nature of bullying;
- ensure that all pupils know how to express worries and anxieties about bullying;
- ensure that all pupils are aware of the range of sanctions which may be applied against those engaging in bullying;
- involve pupils in anti-bullying campaigns in schools and embedded messages in the wider school curriculum (appropriate to their age);

- offer support to pupils who have been bullied and to those who are bullying in order to address the problems they have.

Liaison with parents and carers

We will:

- make sure that key information about bullying (including policies and named points of contact if parents are worried) is available to parents/carers e.g. website;
- ensure all parents/carers know about our complaints procedure and how to use it effectively;
- ensure all parents/carers know where to access independent advice about bullying;
- work with all parents/carers and the local community to address issues beyond the school gates that may give rise to bullying;
- ensure that parents work with the school to role model positive behaviour for pupils.

Procedures for all staff

Dealing with Incidents

When bullying is suspected or reported:

Supporting Pupils

The first priority will be to support the victim.

Pupils who have been bullied will be supported by:

- Offering an immediate opportunity to discuss the experience with their teacher or a member of staff of their choice;
- Reassuring the pupil and providing continuous support;
- Helped to develop strategies to prevent re-occurrence;
- Restoring self-esteem and confidence.

Sanctions will be applied to those children who are bullying as appropriate. This may be a removal of privileges or removal from the playground for a period of time in order that the victim may play safely in the knowledge that the bully is not present.

Pupils who have bullied will be helped by:

- Discussing what happened and establishing the concern, developing an understanding of the impact of their actions on the victim, and helping them understand that what they have done is wrong and that they need to change their behaviour;
- Informing parents/carers to help change the attitude and behaviour of the child;
- Providing appropriate education and support;
- Sanctioning in line with school behaviour/discipline policy, for example, removal of the bully from the playground or classroom, time out in another class or with a senior teacher, or exclusion from playtime or lunchtime. In extreme cases, the final resort of a formal exclusion process may be instigated.

Supporting Adults

Adults (staff and parents) who have been bullied or affected will be supported by:

- Offering an immediate opportunity to discuss the concern with a senior member of staff / head teacher;
- Being advised to keep a record of the bullying as evidence;
- Where the bullying takes place outside of the school site then the school will ensure that the concern is investigated and that appropriate action is taken in accordance with the schools behaviour and discipline policy or staff code of conduct;
- Reassuring and offering appropriate support;
- Working with the wider community and local/national organisations to provide further or specialist advice and guidance.

Adults (staff and parents) who have bullied will be helped by:

- Discussing what happened with a senior member of staff and establishing the concern;
- Clarifying the schools official procedures for complaints or concerns;

- If online, requesting content be removed and / or reporting account/content to service provider;
- Instigating disciplinary action, if appropriate.

Monitoring & Review

The head teacher will report on a regular basis to the governing body on incidents of bullying and outcomes.

The school will ensure that the policy is consistently applied and that any issues identified will be incorporated into the school's action planning.
