1. Aims

At St Mary's we pride ourselves on our strong Christian Ethos, and our vision, aims and values set the tone for our school. We recognise that children flourish in a safe environment where they feel loved, valued and secure. The behaviour and safety of our pupils is good and we strive to maintain this in order to allow all children to reach their full potential. We believe that effectively managing behaviour is a partnership between school, home and the wider community.

Our Behaviour policy aims to:

- Provide a **compassionate, consistent, yet personalised approach** to behaviour management
- **Define** what we consider to be unacceptable behaviour
- Outline **how pupils are expected to behave and how we can support them to make the right choices**
- **Help pupils rectify and learn from incidents of poor behaviour**
- **Support children through the forgiveness process**
- Outline our system of **rewards and sanctions**
- Summarise the **roles and responsibilities** of different people in the school community with regards to behaviour management.

2. Legislation and statutory requirements

This policy is based on advice from the Department for Education (DfE) on:

- Behaviour and discipline in schools
- Searching, screening and confiscation at school
- The Equality Act 2010
- Use of reasonable force in schools
- Supporting pupils with medical conditions at school
- Exclusions Guidance
- Special educational needs and disability (SEND) code of practice

In addition, this policy is based on: Maintained schools Section 175 of the Education Act 2002, which outlines a school's duty to safeguard and promote the welfare of its pupils.

- Sections 88-94 of the Education and Inspections Act 2006, which require schools to regulate pupils' behaviour, publish a behaviour policy, and give schools the authority to confiscate pupils' property
- DfE guidance explains that maintained schools should publish their behaviour policy online. A copy is on our school website and shared with parents annually.

3. Definitions

School Staff are defined as any paid member of the school community (such as teachers, teaching assistants and midday assistants) or any person that the Headteacher has temporarily put in charge of pupils such as unpaid volunteers or people accompanying pupils on a school trip.

Unacceptable behaviour is defined as not being ready, respectful or safe e.g.

- Disruption in lessons, in areas around the school, and at break and lunchtimes
- Refusal to complete classwork when a fair time and adequate support has been given

- Any article a staff member reasonably suspects has been, or is likely to be, used to commit an offence, or to cause personal injury to, or damage to the property of, any person (including the pupil)

4. Bullying

Bullying is defined as the repetitive, intentional harming of one person or group by another person or group, where the relationship involves an imbalance of power. Bullying is, therefore:

- Deliberately hurtful
- Repeated, often over a period of time
- Difficult to defend against

Bullying can include, but is not limited to:

5. Roles and responsibilities

5.1 The governing board

The Governing Body at St Mary's C of E Primary School is responsible for reviewing and approving the written statement of behaviour principles (appendix 1).

The Governing Body at St Mary's C of E Primary School will also review this behaviour policy in conjunction with the headteacher and monitor the policy's effectiveness, holding the headteacher to account for its implementation.

5.2 The headteacher

The headteacher is responsible for reviewing this behaviour policy in conjunction with the Governing Body at St Mary's C of E Primary School giving due consideration to the school's statement of behaviour principles (appendix 1). The headteacher will also approve this policy.

The headteacher will ensure that the school environment encourages positive behaviour and that staff deal effectively with poor behaviour, and will monitor how staff implement this policy to ensure rewards and sanctions are applied consistently.

5.3 All Staff (including, but not limited to teachers, teaching assistants and midday assistants)

Staff are responsible for:

- Implementing a compassionate approach to behaviour management
- Supporting both victim and perpetrator through the forgiveness and reconciliation process
- Instilling the belief that through love and trust, relationships can be rebuilt after mistakes have occurred

- Recognising that all pupils are individuals, and providing a personalised approach to the specific behavioural needs of particular pupils
 - Modelling positive behaviour in the classroom and around the school both in actions and speech
 - Recording behaviour incidents using CPOMS and acting upon requests from SLT.
- The senior leadership team will support staff in responding to behaviour incidents.

5.4 Parents

Parents are expected to:

- Support their child in adhering to the school rules and expectations
- Inform the school of any changes in circumstances that may affect their child's behaviour
- Discuss any behavioural concerns with the class teacher promptly
- Model our school values; love, compassion, honesty, respect, courage and determination and encourage their children to live by these
- Treat all members of the school community with respect

6. School Rules

The school rules St Mary's are as follows:

- Be ready
- Be respectful
- Be safe

7. Rewards and sanctions

7.1 Rewards

We believe in celebrating positive behaviour or achievements both within and outside of school. Examples of this are recognised, rewarded and celebrated through:

- Age-appropriate rewards which may include, but are not limited to: Praise (Individual or whole class/whole school), Beads in a jar (whole school end of term reward), Rainbow/Sun/Cloud chart or traffic lights (individual).
- Weekly celebration assemblies to award certificates and prizes to those children who have followed the school rules to an exemplary standard.
- Issuing stickers to children who have been seen demonstrating school values.
- Awarding a 'You've been spotted' pen or bookmark to child when a member of staff has noticed school rules or values have been followed.
- The Headteacher encourages staff members to send children to her so she can personally reward them for following school rules and values, improved attitudes to learning, and outstanding achievement and or effort.

7.2 Sanctions

Unfortunately there are situations of unacceptable behaviour which leads to one of our school rules being broken. When this occurs, the school may use one or more of the following sanctions in response to such incidents:

- We expect children to listen carefully to instructions in lessons. If they do not do so after being first reminded, we ask them either to move to a place nearer the teacher, or to sit on their own.
- We expect children to try their best in all activities. If they do not do so and have had the necessary support and time to meet their needs, we may ask them to redo a task, complete it during playtime or complete it at home.
- If behaviour is inappropriate, a verbal warning is given to the child and the adult should explain which school rule is not being adhered to and give them opportunity to improve their behaviour or rectify their mistake.
- If a child continues to misbehave a second warning and an age-appropriate sanction is introduced, e.g. cloud, time-out, moving places or standing alongside a teacher for 5 mins during playtime. Again, the adult should explain which school rule is not being adhered to and support them to rectify their mistake.
- If the inappropriate behaviour persists, they may be sent to another teacher in the same Key Stage or a member of SLT.
- The safety of all the children and staff is paramount. If a child's behaviour endangers the safety of others, the class teacher will stop the activity and safely remove the child(ren) from endangering others. The teacher may at this point seek further support from a member of SLT.
- If a child repeatedly acts in a way that disrupts or upsets others, the teacher will seek further support from a member of SLT. The school will contact the child's parents or carers and seeks an appointment in order to discuss the situation, with a view to improving the behaviour of the child.
- Racist, sexist or homophobic incidents will not be tolerated in any form. The school does not tolerate bullying of any kind. If we discover that an act of bullying or intimidation has taken place, we act immediately to stop any further occurrences of such behaviour.

7.2 Off-site behaviour

Sanctions may be applied where a pupil has misbehaved off-site when representing the school, such as on a school trip or on the bus on the way to or from a trip/outing. This includes the right to exclude a pupil for behaviour that has taken place off-site but may have a detrimental impact on the management of the school.

7.3 Malicious allegations

Where a pupil makes an accusation against a member of staff and that accusation is shown to have been malicious, the Headteacher will discipline the pupil in accordance with this policy.

Please refer to our safeguarding policy for more information on responding to allegations of abuse.

The Headteacher will also consider the pastoral needs of staff accused of misconduct.

8. Behaviour management.

8.1 Physical restraint

Regrettably, in some circumstances, staff may use reasonable force to restrain a pupil to prevent them:

- Causing disorder
- Hurting themselves or others
- Damaging property

Incidents of physical restraint must:

- **Always be used as a last resort**
- Be applied using the minimum amount of force and for the minimum amount of time possible
- Be used in a way that maintains the safety and dignity of all concerned
- Never be used as a form of punishment
- Be recorded on CPOMS and reported to parents

8.2 Confiscation, Searching & Screening

School staff have a right to screen and search any pupils **with consent**. They also have the right to search pupils **without consent** if they suspect that the pupil is carrying any prohibited item. Any prohibited items (listed in section 3) found in pupils' possession will be confiscated. These items will not be returned to pupils.

We will also confiscate any item which is harmful or detrimental to school discipline. These items will be returned to pupils after discussion with senior leaders and parents, **if appropriate**.

School staff will liaise with the police and other agencies if pupils are found to be in possession of any illegal item, including data, images or videos on their mobile phone. We reserve the right to delete any data or files from a pupil's mobile phone if we think there is a good reason to do so.

Searching and screening pupils is conducted in line with the DfE's latest guidance on searching, screening and confiscation.

8.3. Pupil support

The school recognises its legal duty under the Equality Act 2010 to prevent pupils with a protected characteristic from being at a disadvantage. Consequently, our approach to challenging behaviour may be differentiated to cater to the needs of the pupil and always with compassion and respect.

The school's special educational needs co-ordinator will evaluate a pupil who exhibits challenging behaviour to determine whether they have any underlying needs that are not currently being met.

Where necessary, support and advice will also be sought from specialist teachers, an educational psychologist, medical practitioners and/or others, to identify or support specific needs.

When acute needs are identified in a pupil, we will liaise with external agencies and plan support programmes for that child. We will work with parents to create the plan and review it on a regular basis.

9. Exclusions

In some instances we may consider it necessary to exclude pupils. This decision can be made by the Headteacher of the school and parents can expect to be informed in writing of the decision to exclude. **An exclusion is a last resort**, and following one the child will be supported to make positive changes and forgiveness will be shown. The reasons to exclude are listed, but not exclusive to the list below;

- Physical assault against a pupil
- Physical assault against an adult
- Verbal abuse or threatening behaviour against a pupil
- Verbal abuse or threatening behaviour against an adult
- Bullying
- Racist abuse
- Sexual misconduct
- Damage (to school property or to personal property of a member of the school community)
- Persistent disruptive behaviour

There are 2 types of exclusion:

- **Fixed Term Exclusion.** These can be for part of a school day (including lunchtime exclusions) or for whole school days. Schools can issue up to 45 days of fixed term exclusions in a year but must provide education from day 6 of a fixed term exclusion. Fixed term exclusions do not have to be for a continuous period.
- **Permanent Exclusion.** In the most serious cases, it may be necessary to permanently exclude a child from this school. The decision to permanently exclude is never taken lightly and has to be ratified by the governing body.

10. Training

Behaviour management forms part of continuing professional development of all staff, including our Midday Assistants. Advice is sought from professionals as and when necessary.

11. Monitoring arrangements

This behaviour policy will be reviewed by the Headteacher and The Governing Body at St Mary's C of E Primary School every 2 years. At each review, the policy will be approved by the Headteacher. The written statement of behaviour principles (appendix 1) will be reviewed and approved by The Governing Body every 2 years.
