*Response from school - :*

*We are delighted that so many parents took the time to complete our questionnaire. Thank you so much we have looked at each one in detail.*

*As many of you know clubs are offered by all staff. Currently football is offered to Years 5-6. To play in matches against other schools, pupils must be in years 5 or 6. Our club is therefore geared to that age group although if capacity allows we let year 4 join in the summer term.*

*A decision was made not to empty lunch boxes at school so that parents could be aware of what their children are eating each day. This is especially important if children are fussy eaters.*

*One parent asked if we could use social media to show what her child was doing in school. We have discussed this in Governors but it was felt that this was not an option school wanted to take. We do work hard to ensure our website is current and you can see what each year group are learning about.*
