

# Impact of PE School Sport Funding 2015/2016

## St Mary's C of E Primary School

### What is the Sports Premium?

The Government has allocated funding to improve the quality of provision of physical education and sport in primary schools for all of our pupils. The funding is ring fenced which means that it can only be spent on PE and sport provision in school.

We are held accountable for how we have used the additional funding to support pupils progress and participation in PE and school sport. We are required to publish on-line information about how we have used the additional funding, including details about our sporting provision alongside curriculum details. This will ensure that parents/carers and others are made fully aware of the PE and sporting provision at St Mary's.

At St Mary's School we use this funding to improve the outcomes for all our pupils. The whole school community has been involved in deciding how best to use this funding.

### Planning Process

1. Self-review of current strengths and weaknesses were completed.
2. PE skill knowledge audits were completed by staff members to determine areas of development.
3. Pupil voice surveys were used to ascertain pupil views and opinions.

Sports Premium has been used for:	Impact upon outcomes for pupils
<p>Premier Sport - £6425</p> 	<p>The majority of the expenditure was for the supply of a professional PE teacher (Mr R). The impact of having a specialist PE teacher at school is very apparent.</p> <ul style="list-style-type: none"><li>• Staff have been able to work closely with Mr R to learn more about the new PE curriculum and how to teach high quality PE lessons.</li><li>• Staff have been given allocated staff development time with Mr R further enhancing their professional development. This ensured that children are receiving high quality teaching and learning all through the academic year.</li><li>• Through having an additional PE teacher we have been able to offer additional extra-curricular and lunch time activities for</li></ul>

	<p>children of all ages. Participation data has shown 73% of children took part in extra-curricular clubs on offer. 100% of children were given the opportunity to work with Mr R at lunchtimes.</p>
<p>Employing a specialist PE teacher</p> <p>Steve Wood - £590</p>	<p>Mr Wood has been into school throughout the year ensuring that the children are given opportunity to experience a broad range of sporting activities. These activities have included archery, curling, play leading and outdoor adventurous activities.</p>
<p>Booster Swimming sessions-</p> <p>£369</p>	<p>At St. Mary's every KS 2 child received 6 weeks of swimming lessons taught by qualified instructors as part of the PE curriculum. The national expectation is for every child to be able to swim 25m by the end of KS2. The PE Premium has been used to provide children who have not achieved this expectation with booster swimming lessons to support them in working towards this. Before the booster swimming sessions 49% of year 6 and 59% of year 5 children were meeting these expectations. Booster sessions were offered to 29 children across year 5 &amp; 6. 20 children attended. Following these sessions 69% of year 6 and 78% of year 5 achieved the national expectations.</p>
<p>Extra Cricket session Cricket -</p> <p>£250</p> 	<p>Halton Cricket Forum provided 10 weeks of cricket coaching to our more able children in year 5 and 6. These children then competed in the Halton Schools Cricket tournament. The specialist coaching resulted in the school team coming runners-up and being selected to represent Halton at the Merseyside School Games.</p>
<p>Julie Claydon (Circuit Training) -</p> <p>£360</p>	<p>Julie provided weekly circuit training sessions to children in KS2 during the Autumn term. This regular physical activity has resulted in improved fitness levels throughout the school.</p>
<p>Sports Equipment</p> <p>£427</p>	<p>New sports equipment was purchased to enhance the quality of teaching and learning during lesson time and also to make playtimes more active.</p> <p>Equipment included: tag rugby equipment, curling target, tennis balls, skipping ropes, playground balls, netball equipment, sponge balls, athletics equipment, bean bags, footballs</p>

## How we monitor the impact of this funding:

The school monitors both the physical development and engagement levels of pupils through:-

- Teacher observation, assessment of PE and quality assurance measures.
- Pupil attendance and maximum participation at school sports clubs.
- Parent and pupil voice.
- Participation and achievement in both inter and intra school sporting events.
- Improved attitudes, well-being and raised self-esteem.
- Parent feedback to teachers.
- Celebration Assembly, Certificates and Star of the Week.
