

## Pupil Voice Outcomes and Actions 2017

The table below shows some of the outcomes of the previous PE pupil voice and the actions we have taken in response to this.

Outcome	Action Taken
Bring back Wake and Shake	Wake and shake now takes place at least once a week in the KS2 department. We have trained some year 6 Wake and Shake leaders who also worked with a dance teacher to choreograph and record some new Wake and Shake routines.
Longer swimming lessons	Previously all KS2 children received 30 minutes of swimming per week. This has been increased to 45 minutes per week with 2 instructors in the pool so that children can have smaller group lessons, receiving quality teaching.
More lessons on health, food and fitness	We bought into the 'Game Changer' package through Widnes Vikings who came into school and ran fitness tests, healthy eating sessions, active clubs, family assemblies and health awareness days.
More competitions	The school bought into the Halton School Games packages which offers various inter school competitions throughout the academic year. Mr R also worked to promote intra school competitions within PE lessons and at lunchtimes so that every child had taken part in intra school competition throughout the year.
Better playground facilities and equipment	Some of the PE and School Sport Premium was used to buy new equipment to make up 'playtime boxes' for every class within school.

	Equipment monitors took these boxes onto the playground at each playtime. These boxes have encouraged more active playtimes and more structured playtime games.
Forest skills and outdoor activities	Year 4 went on Tipi adventure residential during which they took part in activities such as bushcraft, rifle shooting, orienteering, den building and survival.
Healthy breakfast club	A healthy 'Stay Active' club has been offered through Premier Sport all year round to the whole school with the club being full most terms.
Cookery lessons	As part of the DT curriculum Year 6 planned a healthy meal and this was followed by cookery lessons during which they prepared and made their own healthy pizza.
Weekend and holidays clubs	Weekend and holiday clubs offered through Premier Sport are always advertised to both our children and parents.
