

# St Mary's Nursery

## What's happening this week?

Week beginning Mon 8<sup>th</sup> Nov 2021

Dear Boys and Girls,

We want to continue **learning with** this lovely season of Autumn. Aren't the colours of the trees beautiful? On Monday you can help to make Autumn play dough and do leaf rubbings to see the veins of the leaves.

On Tuesday we will be doing our Heartsmart challenges so that you can work out what you are good at, things like throwing, running and jumping.

Mrs Curtis will be getting you to do Firework splatter paintings this week and also help you to make an Autumn Wreath out of the lovely leaves.

On Wednesday we will be playing Maths games using conkers and pine cones.

On Thursday we will do our Letters and Sounds games. This week you will be using the percussion instruments to tap out rhythms.

On Friday you will be hearing the story of Noah's Ark to learn how God is very kind. We will be having our Treasure Chest assembly. Who will be the winners this week? Who will be taking the Teddies home? And who will have read 10 Books at home and get a prize?

Have a lovely weekend.
