

# St Mary's Nursery

## What's happening this week?

Week beginning 22nd May 2017

Monday 22nd	This week we will be learning about why we don't have dinosaurs on our earth any more. We will be watching video clips of volcanoes. Mrs Robertson needs helpers to make a volcano for our tuff tray again. Do you remember how you did it last time? Come and see what Mrs Campbell has created outside so that you can be Dinosaur explorers. Mrs Curtis needs helpers to write signs now that some of you are very good at writing. Our Jolly Phonics letter this week is 'E.' We will be practicing some of our Dinosaur songs for a mini concert for parents on Thurs at 11.30am.
Tuesday 23rd	You can have a go at painting the volcano first thing. In your groups this morning we would like you to practice tearing tissue paper. Mrs Curtis still needs helpers to write signs for the Nursery and to play games on the Smartboard. Before home time the older children will be playing a game called 'Tony's busy Train.' The younger children will be singing a song about Mrs Campbell's Box and what is in it.
Wednesday 24th	How good have you been as a Dinosaur Explorer outside this week? Mrs Campbell will be helping you do some practicing for your Sports Day next half term. Mrs Robertson has a nice small world Dinosaur display on the tuff tray for you to play with. Mrs Curtis will be playing special maths games with all the new boys and girls. Maths games for everyone before Home time.
Thursday 25th	You will be talking about your Feelings in your groups again and we will be looking at Golden Rule no. 2 What do you do when you are feeling sad? Is there somewhere you haven't played this week? Could you try to do something different? Stories and rhymes before home time.
Friday 26th	<b>TEDDY BEARS' PICNIC AND GREAT BIG BARNARDOS' TODDLE FROM NURSERY TO PHOENIX PARK</b>
