

St Mary's Nursery

What's happening this week?

Week beginning 8th May 2017

<p>Monday 8th</p>	<p>Lots of things have been growing so well outdoors at Nursery: potatoes, lobelia, pansies, strawberries, herbs. This morning we have something else for you to find outdoors that you can grow. They are hard and brown!! Later you will plant them in your groups. Outside this week Mrs Robertson wants to see what you are like at throwing and catching balls. You can make dinosaur ice eggs because this week you will be thinking about dinosaurs that live in the water. Mrs Curtis would like you to do some printing with all sorts of things in paint.</p>
<p>Tuesday 9th</p>	<p>In your groups this morning we would like you draw a picture of yourself. Mrs Curtis will be making dinosaur fossil biscuits for tomorrow. Mrs Campbell will be helping you to bring the frozen Dinosaur eggs back to the water tray. Before home time the older children will be making up rhymes using the first letter/sound of some of your names. The younger children will be doing some 'drumming' outdoors with all sorts of things.</p>
<p>Wednesday 10th</p>	<p>Mrs Curtis will be going away with Year 4 on their residential trip for the rest of the week. Mrs Hulse and Mr Owen will be taking her place. Mrs Campbell will be asking you tell her your stories about your Dinosaurs that you painted. Mrs Hulse will set you up for more printing. Maths games before Home time.</p>
<p>Thursday 11th</p>	<p>You will be talking about your Feelings in your groups again. What do you do when you are feeling sad? Is there somewhere you haven't played this week? Could you try to do something different? Stories and rhymes before home time.</p>
<p>Friday 12th</p>	<p>Come and watch the Slideshow of 'the Week that Was!!' Mr Owen will be in Nursery today. He loves music. Maybe he will do some music with you? You will be having your Nursery Treasure Chest Assembly. Who will be our winners this week? Before snack we will be having our Bible story for Pre-school children. Mr Owen will be using a lovely Children's Bible to go over the story of Creation again. Before home time we would like to have a look at the Cbbees maths Numberblocks programme.</p>
