Children have been learning to ask questions and respond about where they live in the UK, to say their own address, and share how they get to school using which mode of transport. Children are using their knowledge from previous lessons to embed their learning and to extend sentences. Key Stage 2 children have been learning different poems and songs. This is J'enroule, J'enroule that children enjoyed learning and performing- You can find us on Twitter performing

This term our Year 6 children have gained pen pals from a primary school in Brax, Toulouse. They have shared letters between each other which include their hobbies and interests. This has helped
