

Year 3 have been comparing Easter celebrations with their Christian friends in class, they thought about Mary's reaction to Jesus' resurrection before and after visiting the tomb and have most recently enjoyed looking into the Trinity and the Holy Spirit. Children worked hard to examine The **Trinity icon** created by Russian painter Andrei **Rublev** in the 15th century. There was a lot on in depth class discussion about this famous work, who was in the picture, colours worn, what the figures were doing and so much more.

The Trinity  
Holy Spirit

⑤ The faces are the same because there the Trinity. The three are equal, because because there all sitting on the same throne and there are all holding the same stick. The Green and blue a looking at the gold because he the left figure represents God! The reddish brownish is Jesus / Son of God because the blue represents heaven and the reddish / brownish. Means / represents earth. The gold represents part of God! The figure on the right represents Holy Spirit.

Mary's Reaction to Jesus' Resurrection

Before she visited the tomb

I am <sup>am</sup> I think worried and upset because I am walking up to the tomb. I am really sad because Jesus has died.

After she visited the tomb

I'm feeling confused because Jesus is not in the tomb. I'm very shocked because Jesus is ~~is~~ ALIVE!!!

Good, you have understood the change in emotions ✓

Reception class have really enjoyed learning all about Easter. They enjoyed acting out the Easter story and became characters from the bible. Children thoroughly enjoyed re-enacting the story of Palm Sunday and finished their term gathering treasure to find some lovely items for a beautiful Easter Garden.
