

Year 1

Computing Vocabulary

Today's word is...

Algorithm

Do you
understand the
language of
technology?

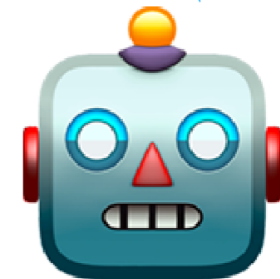

**What does this word mean?
See if you can find out**

Computing Vocabulary

Today's word is...

QR Code

Do you
understand the
language of
technology?

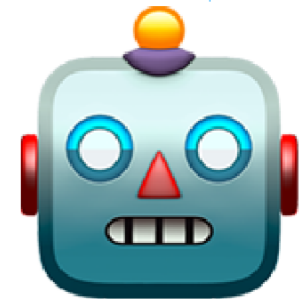

**What does this word mean?
See if you can find out**

Computing Vocabulary

Today's word is...

Program

Do you
understand the
language of
technology?

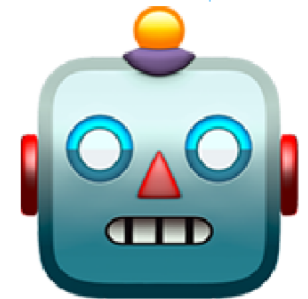

**What does this word mean?
See if you can find out**

Computing Vocabulary

Today's word is...

3D

Do you
understand the
language of
technology?

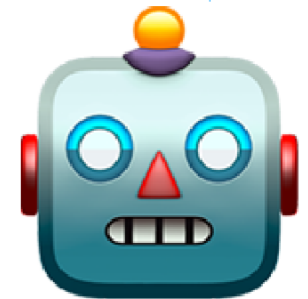

**What does this word mean?
See if you can find out**

Computing Vocabulary

Today's word is...

Debug

Do you
understand the
language of
technology?

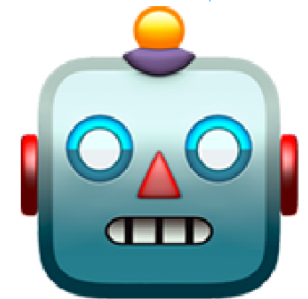

**What does this word mean?
See if you can find out**

Computing Vocabulary

Today's word is...

Design

Do you
understand the
language of
technology?

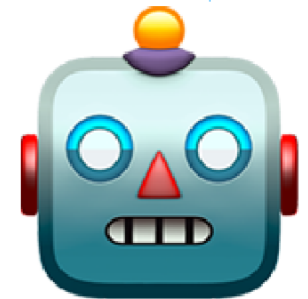

**What does this word mean?
See if you can find out**

Computing Vocabulary

Today's word is...

Emoji

Do you
understand the
language of
technology?

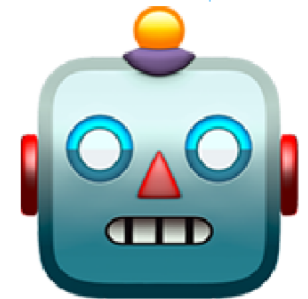

**What does this word mean?
See if you can find out**

Computing Vocabulary

Today's word is...

Search

Do you
understand the
language of
technology?

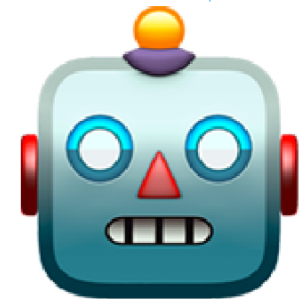

**What does this word mean?
See if you can find out**

Computing Vocabulary

Today's word is...

Selection

Do you
understand the
language of
technology?

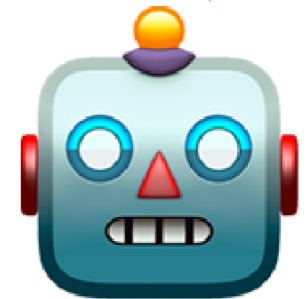

**What does this word mean?
See if you can find out**

Computing Vocabulary

Today's word is...

Link

Do you
understand the
language of
technology?

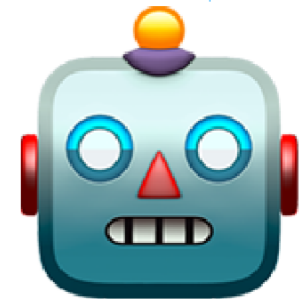

**What does this word mean?
See if you can find out**

Computing Vocabulary

Today's word is...

Menu

Do you
understand the
language of
technology?

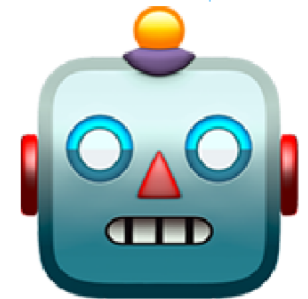

**What does this word mean?
See if you can find out**

Computing Vocabulary

Today's word is...

Personal Information

Do you understand the language of technology?

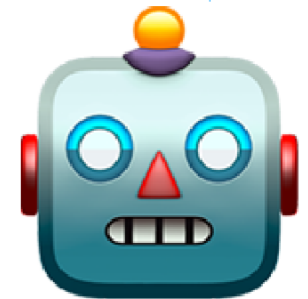

What does this word mean?
See if you can find out

Computing Vocabulary

Today's word is...

Website

Do you
understand the
language of
technology?
