- We are really grateful for all the help and support the school has given us over the last few years. Everyone is so understanding and accepting of our children's needs.
- My daughter loves going to school and enjoys learning. I believe St Mary's has helped her blossom into the girl she is and given her the confidence to be her true self and get involved in clubs and activities she may not have done. Sadly, though, I do think the curriculum may be too fast paced at times.
- Thank you all so much for your hard work. Our kids feel cared for and well supported – what more could we ask for?
