QUESTION	ANSWER				
What are our greatest strengths?	<ul style="list-style-type: none"> - Friendliness - Teaching a broad variety of subjects - Excellent parental involvement - School rules - Children enjoy being in the company of the Teacher / TA - Sense of community between parents and staff - Warm and friendly children - School adapts to children's individual needs - Easy to get hold of and talk to - School is there for children and parents - School solves problems straight away - Staff love our children 				
What we could we improve?	<ul style="list-style-type: none"> - Nothing - More range of afterschool clubs and trips - Provide life lessons on finance, budgeting , investing and mental health to Y2 				
What are the 3 most important issues we should address in the next year?	<ul style="list-style-type: none"> - Reading, Writing & Maths - Making learning exciting - Mental health - Helping charities - Teaching children values and right from wrong - Teaching children about germs 				

School response

We are delighted that the responses received are overwhelmingly positive. Thank you.

What are our greatest strengths?	<p>The ethos of the school is clearly visible in all relationships. It is hugely important to us that parents feel we are here to work together.</p> <p>We are also pleased that parents know they can talk to us and that we do adapt to children's individual needs.</p>
What we could we improve?	<p>We are always happy to receive suggestions. We have cut back on trips due to the Covid situation but already have a number booked in for this year and the next.</p> <p>Children in Year 6 do complete a money/ budgeting course from CAP. We do not do this earlier as it is not appropriate at a younger age.</p>
What are the 3 most important issues we should address in the next year?	<p>Again we are thrilled that our priorities match parents' priorities. Our curriculum is continually being refined and staff are always seeking new ways of making learning fun .</p>
