

# Proposed priorities of PE and School Sport Funding 2021/2022

## St Mary's C of E Primary School

At St May's CE Primary School we are utilising the new Primary PE & Sport funding to improve the quality and breadth of our PE & Sport provision through continually developing teaching and learning in PE, encouraging our pupils to adopt health active lifestyles and to take part in a wide range of sports and physical activities including more competitive school sport.

### Sports Premium will be used to -

Employ a Premier Sport Specialist coach to work with staff and children to provide an enriched PE and sports curriculum giving children the opportunity to participate in a wide range of sporting activities.

Planning support and materials provided to ensure high quality PE is consistently delivered across all ages.

Promote a love and enjoyment of a healthy and active lifestyle.

Identify opportunities for cohorts or groups of children that would benefit from outside visits or visitors into school to provide specialist coaches or activities that cannot be provided in school. This may also include opportunities for identified children with a talent or those with a special educational need.

Purchase a range of equipment and training to enhance active playtimes, quality lessons and extracurricular activities.

Provide booster swimming lessons in KS2 to support curriculum expectations if COVID guidance allows.
