

Year 4 Remote Learning

During Lockdown, Year 4 studied the book *Escape from Pompeii*. We wrote descriptions, dialogues, diaries, letters and flashbacks before writing a historical narrative. We learned about Anglo Saxons and Vikings in history, creating shields and designing posters of information. In design and technology, we cooked a European dish and rebuilt Pompeii! In science, we learned about the digestive system and conducted an investigation into tooth decay using eggs. In RE we focused on Christianity, learning about the kingdom of God and producing beautiful artwork. We read a story about the Firebird and listened to the Firebird Suite, which inspired us in our artwork.

Greek Salad with Spanish Chorizo Flatbread & dip.

Lunch 15.1.21

Year 4 Remote Learning
