

Understanding the World Reception

Spring is here!

Can you see any signs of spring outside?
Can you record them? You could draw a picture or take photos. Can you label your picture?

Have a go at some spring activities like planting seeds, creating a spring painting or collage or listening to classical music that celebrates spring.

I would love to see how you get on.

Tweet any work to @stmaryshalton or email
elizabeth.lamb@st-marys.halton.sch.uk

Good luck! From Mrs Lamb (Geography Coordinator)
