

Geography Home Learning Year Three

Can you name the four countries of the United Kingdom?
How about their capital cities and counties?

Choose a county within England. Create a fact file all about it.
Include any information you can find about hills, mountains,
rivers and places of interest.

I would love to see how you get on.

Tweet any work to @stmaryshalton or email

elizabeth.lamb@st-marys.halton.sch.uk

or your class teacher.

Good luck! From Mrs Lamb (Geography Coordinator)
