

Geography Home Learning Year Six

Which countries make up North America?

What are their capital cities?

Choose one of the countries. Complete a fact file all about it
e.g. flag, places to visit, rivers, climate

I would love to see how you get on.

Tweet any work to @stmaryshalton or email
elizabeth.lamb@st-marys.halton.sch.uk
or your class teacher.

Good luck! From Mrs Lamb (Geography Coordinator)
