

Literacy

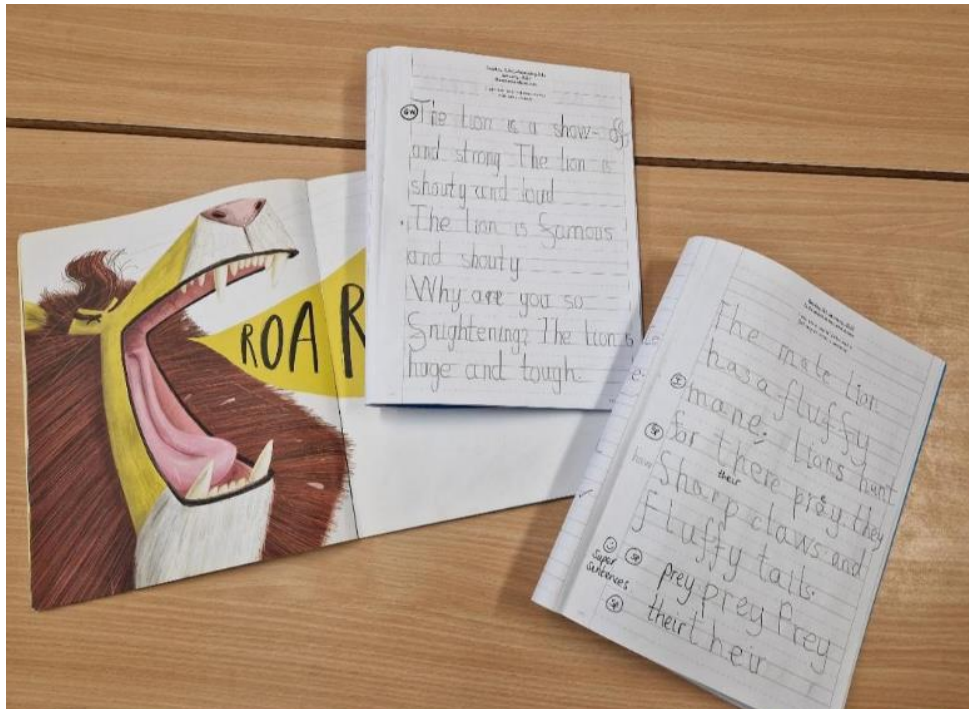

In Reception we visited our local library, we sang songs and rhymes and enjoyed a story by the librarian. We got to explore the books and even chose one for ourselves to take home. We also enjoyed learning all about our new book in class 'The Naughty Bus'.

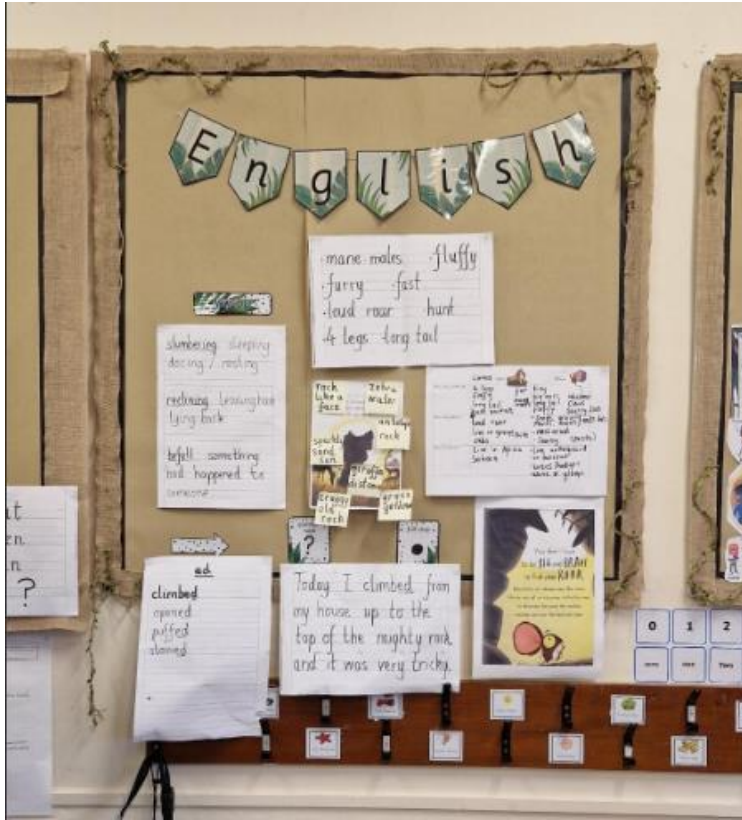

We discussed the landmarks in London, made them out of junk modelling and labelled them. We then wrote our own sentences about the Naughty Bus using our phonics.

In Year 1 have been focusing on a book called 'The Lion Inside', they have been looking at the different vocabulary used in the text and discussing their meaning.

The children did some lovely writing of their own using adjectives to make their writing more interesting.
